

# LUNCH & SMALL PLATES

THURSDAY to SUNDAY from 11:30am till 4:30pm

We absolutely love local, sustainable and fresh produce: Our free-range eggs are from Southern eggs in Little Woodlands Farm in Catsfield. Our bread comes from Poppyseed bakery in Bexhill & we also work with Northiam dairy in Rye for our milk. The speciality coffee we offer is local from Nelsons Coffee Roasters based in Eastbourne & our tea is from Chai Wallah Margate. Our dishes are based on family recipes with a modernised, ingredient-led approach, sourcing locally and importing weekly from Sri Lanka. The curry and chilli powder which feature in nearly every single dish is a family recipe which is over 100 years old and is roasted and ground weekly.
